

Mungati Emmanuel Samson

Full-Stack Software Developer

✉ emungati@gmail.com ☎ +256 787 421 272/+256 708 922 117

PROFESSIONAL SUMMARY

I am a skilled full-stack software developer with over five years of experience, proficient in both front-end and back-end development. I specialize in multiple programming languages including HTML, CSS, SQL, JavaScript, and Bootstrap, and have extensive knowledge of the Laravel framework. I am experienced in developing scalable solutions in agile environments, working with cross-functional teams to deliver high-quality software on schedule and within budget. I aim to leverage my technical expertise and passion for innovation to contribute to the success of your organization.
